POST-GAME QUOTES

WASHINGTON VS. TAMPA BAY August 21, 1982 Tampa Stadium
Visitor Home Date Site

TAMPA BAY COACH JOHN MCKAY: (Michael Morton) - "I thought he did well. He dropped the ball. He who drops the ball won't get that many opportunities. We should have gotten in there at halftime and we didn't because he dropped the ball.

"We had two costly fumbles. One cost us a touchdown and the other gave them one.

(quarterback decision harder after tonight?) "No."

"The first half I thought we were lethargic. They dominated us. I don't think they should have scored. We took Lee Roy and those other folks out in the second quarter."

More McKay to follow

WASHINGTON COACH JOE GIBBS: "My impression was we just got whipped up on by a good Tampa Bay team. They did a job on us. Took the ball the second half and held it. They pounded it down our throats, they threw the ball on us and just did a heckuva job. I think we just got beat fair and square."

(on Jerry Golsteyn) - "I thought it was very good from where I stood. (with a wry grin) I've seen him play a little bit before when he was with New York. I thought he threw some good passes.

(these Bucs vs. '78 Bucs) - "This team right now is a confident team. They have won big. When I was here we were still trying to get the first winning season. Now they are champions of their division. They've done a heckuva job. They are very strong, very physically strong. They will hit you. Shoot, they are talented."

(Flick) - "Tom had a tough time, a very tough time."

(fumbles) - "We've shown we are not good enough to overcome fumbles. We've consistently turned the ball over the last two weeks. You can't win a football game like that. That's been our history and it remains that way."

(bright spots) - "You find it hard to find bright spots when you lose like that.

BUC INJURIES

Defensive end Dave Stalls - muscle contusion of the leg
Defensive back Mike Washington - neck sprain
Wide receiver Gerald Carter - swollen ankle
Offensive guard Greg Roberts - scratched eye

STATISTICAL CHANGE

Please note that the punting stats on the individual statistics are correct for Tampa Bay, not the ones on the team statistics. The Bucs punted five times, not six for a 44.0 avg.

more JOHN MCKAY, head coach Tampa Bay

(Gordon Jones) - "Gordon has never been out of my good graces (this in response to question asking that). He did not have a good year last year. He performed very well in mini-camp and ever since we started. He's a very important part of our offense."

TAMPA BAY PLAYERS QUOTES

Jerry Golsteyn - "We started moving the ball well and when that happens almost any play you call you have confidence in and think will work."

"No question (this is the best team he's played for). They are a great bunch of guys who work hard. There is a lot of good talent."

(has he changed since Giant days) - "I feel I'm the same mechanically but I feel more at peace, more comfortable."

(offensive line protection) - "That's something that didn't always happen in New York."

Melvin Carver - "It felt very good. I feel things are going the way I want but I want to improve my catching and blocking. My injury was just a cramp and I knew exactly what it was when it happened."

"All the hard work I've done is beginning to pay off."

Jerry Bell - "I feel real good. I wanted to get the first one out of the way (first catch)."

"Boyd Dowler has a relaxed approach with the receivers and I feel it's really helped me."

(on why he came in second tonight) Because they know what OB (Jim Obradovich can do.)

Michael Morton - "I still feel like I have to show people that I can play football."

(the 34-yard run) - "He happened to strip the ball or I would I have gone all the way."

John Cannon - "I was really excited to play. My leg felt really good. I did more thinking than playing. I realize that I'm not going to just overpower anybody up here. I have to work on my techniques."

Gordon Jones - "I feel I can make an impact on an opposing team. We need a well-balanced attack to play with the big teams."

"I'm willing to play any role that's decided upon (asked about play messenger). This is just a tuneup."

WASHINGTON PLAYER QUOTES

Joe Theismann - (Buc Defense) - "They are very physical and very quick. It's a great type of defense. Everything you get you have to pay the price for. This is the way I anticipated them coming in and they didn't disappoint me one bit."

(on the over throw of Art Monk in the first quarter) - "That pattern is stop and go pattern. I just couldn't make the adjustment. I will in the future."

(better in the second quarter) - "Give credit to the Bucs/. Every time we got close they put up a stone wall."
